Dickinson Cattle Breeder: Owner: 831Ranch

Beautiful black and white Drop Box heifer out of an awesome black female line. She's got 13 animals in her pedigree over 80 inches including 2 over 100 and 2 over 90. We're super excited to watch her develop. She gave us a really cool brindle faced bull calf out of DSCC Cowboy Flair that we really like. She was Al'd to JH Rural Safari Son on 9/25/2021.
